NanoDiamond4CarPaint Paint Protection for Vehicles from Nano4Life

In another MyBigNano First, we bring to you one of the toughest and hardest Ceramic based Nanotechnology coating for the vehicle. This coating has 9H to 12H Mohs Scale Hardness grading.

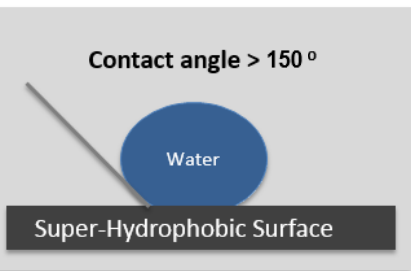

Coating Scale

- ✓ 1 Coating – 500 Nm thickness and 9H Scratch Resistance.
- ✓ 2 Coatings – 1000 Nm thickness and 11H Scratch Resistance.
- ✓ 3 Coatings – 1.500 Nm thickness and 12H Scratch Resistance.

Nano4Diamond4CarPaint is the ultimate nano car paint protection system against harmful effects like acid rains, bird droppings, scratches, sunburn and bad washing techniques . Upon application, a multiple layer Nanotechnology coating is formed and within minutes the thickness and strength of the paint is highly increased. This creates an ultra protective coating which operates as an armour preventing any scratch on your vehicle.

- Scratch Resistance optimum scale 12H
- Up to 10 year protection range
- Anti-graffiti
- Self cleaning properties
- Super hydrophobic properties
- Colour protection from UV radiation
- Extreme weather conditions protection
- Advanced chemical and acid resistance
- Frost and ice tolerance
- Extreme tolerance to high temperatures
- Anti-corrosion
- Anti-oxidation
- Shiny gloss finish
- Environmentally friendly

Nano4Diamond boasts a water contact angle of **150°**. Contact angles of over 120° are considered Super-Hydrophobic

Suitable for Auto and cycle, Glass surfaces, External Yacht surfaces, Stainless steel, lacquered surfaces, Non-absorbent stone and Caesar Stone

Product Specifications

Volume	100ml
Application Type	Auto and Cycle, Glass surfaces, Glass Surfaces, External yacht surfaces, Stainless Steel, lacquered surfaces, Non-Absorbent stone
Durability	Up to 10 Yrs if done in accordance with instructions and after application guidelines are adhered to. (le only water-no soaps)
Consumption	5 ml/m2
Coating Thickness	500-1500 nm
Hardness	9h-12h
Temperature Durability	150° C
Scratch Resistance	✓
Salty Water Durability	✓
Stain Free	✓
Easy Clean	✓
UV Inhibitors	✓
Hologram Masking	✓
